

Engaged Leadership Challenge

The Engaged Leadership Challenge is intended for those organizations that are looking to implement a formal sustainability plan and seek commitment from senior leadership. If an organization already has a formal program skip level 1 and start with level 2. These goals accompany the Engaged Leadership How-To Guide.

Level 1: Making the Case for a Formal Environmental Stewardship Program

Level 1 of the Engaged Leadership Challenge is designed to support a formal request to leadership for their support in an organizational commitment to continuous environmental quality improvement. Each action items should be done in the order it is listed.

Action	Measure	Materials	Impact
Fill out the following worksheets: Making the Case and Champions to identify team, leverage points and framing.	Fill out the two worksheets and email to engaged-leadership@practicegreen-health.org	Making the Case Worksheet Champions Worksheet Recorded “ Making the Case to Leadership – HH Engaged Leadership Challenge ” Sharing Call	Guides Preparation and Planning for Making the Case effectively
Fill out the Sharing Success Worksheet to document current wins.	Fill out the Sharing Success worksheet and email to engagedleadership@practicegreenhealth.org	Sharing Success worksheet	Engage leadership in supporting an organizational commitment to environmental stewardship
Planning Call with Practice Greenhealth	Reach out to engagedleadership@practicegreenhealth.org to request call to review strategy and presentation review and guidance.	Phone Call with Practice Greenhealth Staffer	
Create a powerpoint proposal and present to leadership	Fill out powerpoint proposal template and email to engagedleadership@practicegreenhealth.org	Powerpoint proposal template	

Level 2: Strengthening Engagement

Objective	Measure	Materials	Impact
Implement 3 of the 5 Strengthening Engagement Activities	Measures identified in HH goals	Healthier Hospitals extranet site	The demonstration of success with HH continues to make value proposition.
